

Governance Support Subscription 2018/19

National research indicates that a school is unlikely to succeed without an effective governing board. Strong governance is essential to ensuring successful educational outcomes since governors and trustees, although volunteers play a vital strategic role in holding school leaders to account through support, challenge and driving school improvement.

With an increasing national emphasis on skilled, knowledgeable governors and trustees who contribute to the effective governance and success of the school, it has never been more important to keep up-to-date with the latest legislation, guidance and good practice.

Our highly effective team of experienced and knowledgeable governance professionals enjoy a high reputation for excellence in supporting governors both within Essex and nationally. We recognise that governors' responsibilities are wide-ranging, with governing boards facing new challenges on a regular basis, and can help with any aspect of governance from the every-day to the extraordinary. Approachable and professional we are willing to listen, in confidence if necessary, to support you in carrying out your role effectively.
